Dear Parent, Guardian, Carer,

**Admissions to Holy Infant & St. Anthony R.C. Primary School 2020-2021**

Under the School Admissions Code when changes are proposed to admission arrangements, the admission authority must consult by 31st January on their admission arrangements, that will apply for admission applications in the following academic year. Where the admission arrangements will not change from the previous year there is no requirement to consult but admission authorities must consult at least once every 7 years even if there have been no changes.

Consultation must last for at least 6 weeks and must take place between 1st October and 31st January in the determination year.

For your information I have attached a copy of the proposed admission policy for Holy Infant & St. Anthony RC Primary School for the 2021-22 school year. The only change in the proposed policy is that the distance between home and school will now be measured “As the crow flies” and not by walking distance. This is owing to Bolton Local Authority being unable to measure routes this way with effect from 2021.

If you have any comments regarding this proposed change, please write to me by 31st December 2019.

Yours sincerely,

H McGrath
