Dear Parent(s) and Carer(s),

We would like to invite you to a ‘Phonics Stay and Play’ session on Wednesday 20th November. This session will give you the opportunity to firstly watch a Phonics lesson and then spend time with your child, playing and learning. It will also allow you to discuss your child’s learning with their teacher and ask any questions you may have. Learning ideas and activities will be available to take away so that you are able to support your child’s learning at home. We would love for you to come in the morning at 8:45am and stay until 9:30am.

Thank you for your support,

Mrs Pennington
