Dear Year 5 and 6 Parent/Guardian/Carer,

On the 18th of November, Y5 and Y6 will be participating in a Rainforest Roadshow workshop at school. This will involve hands on experiences with insects and arachnids from across the globe and a presentation by Sue Shaw, an avid explorer of jungles.

This workshop has been designed to link to Year 5’s Geography topic on Rainforest Biomes and Year 6’s Science unit on the classification of animals. The whole school will also be embarking on a brand new, innovative Environmental Awareness topic which will focus on human impact on wildlife around the world and how we can protect our beautiful planet for future generations. The workshop will be tailored to our specific focus in lessons and will provide the one-off stimulus for new reading and writing units for the remainder of the half term.

The full day of activities will be provided for in school and the children can expect an engaging, unique experience.

To enable the workshop to go ahead we are asking for a contribution of £7.50 per child.

Yours faithfully,

Miss Booth and Miss Cooper

Miss Booth
Y5 Teacher

Miss Cooper
Deputy Head Teacher/ Y6 Class Teacher

Name_______________________________________________________

☐ I have enclosed the amount of £7.50 for the cost of the Workshop.
